**REPORT AND CONSOLIDATED FINANCIAL STATEMENTS AND SEPARATE
FOR THE THREE-MONTH PERIODS ENDED MARCH 31, 2025**

INDEPENDENT AUDITOR’S REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION

To The Shareholders and Board of Directors of
Peer For You Public Company Limited

I have reviewed the accompanying statement of financial position of Peer For You Public Company Limited and its subsidiaries as at March 31, 2025 and the consolidated statement of comprehensive income, the consolidated statement of changes in shareholders’ equity and the consolidated statement of cash flows for the three-month period then ended and condensed consolidated notes to the financial statements and have reviewed the separate financial information of Peer For You Public Company Limited as well. Management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard No. 34 “Interim Financial Reporting”. My responsibility is to express a conclusion on this interim financial information based on my review.

SCOPE OF REVIEW

I conducted my review in accordance with Thai Standard on Review Engagements 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity.” A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

CONCLUSION

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard No. 34 “Interim Financial Reporting”.

Emphasis of Matters

I draw attention to the notes to financial statements, which describes the significant events and transactions for the three-months period ended March 31, 2025

- Loan and interest receivables

Note 5 describes the recognition of expected credit losses on loan receivables and accrued interest from two subsidiaries, which have a material impact on separate financial statements, amounting Baht 11.57 million.

- Other current receivables

Note 6 describes a receivable from the disposal of investment in indirect subsidiary of the Group in the amount of Baht 120 million, which has a material impact on the consolidated financial statements, for which the Company has considered recording the full amount of the allowance for expected credit losses since 2023. However, during the first quarter of 2025, the Group has not received the payment for the remaining installments which are post due. Currently, the Company is in the process of taking legal action against the said debtor.

- Other current asset

Note 9 describes the deposit for the study of the wind power plant project in Vietnam, which the Company later requested to cancel the investment and requested the seller to return the deposit. The remaining balance of the deposit as at March 31, 2025 was Baht 15 million, which is due for repayment in September 2024. Currently, the Company has written a follow-up letter, and the seller has submitted a request to extend the period for repaying the remaining deposit within the third quarter of 2025. On May 8, 2025, the Company issued a written response rejecting the proposal.

My opinion on the financial statement does not qualify related to the matter that I draw attention above.

Receivable from sale of investment

On 30 March 2023, Inno Hub Company Limited (“INH”), a subsidiary of the Group, sold all investments in Phygital Space Development Co., Ltd. (“PSD”) to two parties. As a result, the Group lost control over PSD. INH and the purchasers entered into an agreement to purchase PSD common shares, with payment scheduled in four instalments, totaling Baht 150 million. The Group received a payment for shares from the buyer in the first instalment, totaling Baht 30 million, in a single instalment. However, upon the due date for payment according to the instalment schedule, the Group did not receive the payment for the shares as specified in the agreement. Therefore, the management has considered recognising an expected credit loss on the outstanding balance of Baht 120 million during the third quarter of 2023.

On March 31, 2025, the Company filed a breach of contract lawsuit against the two third parties for the PSD share purchase agreement. The Court has set a hearing for May 19, 2025 and July 7, 2025.

Deposit for studying in joint investments in developing and marketing platforms

On July 13, 2023, the Board of Directors of Inno Hub Company Limited (a subsidiary of the Group) No. 5/2023 approved the company’s participation in a joint investment study with a Thai juristic person. The objective is to study three joint investments in developing and marketing platforms, with a combined investment value of Baht 40 million. Additionally, the Board approved a guarantee of Baht 10 million for other investors, which accounted for 25% of such transactions. Later, on October 4, 2023, the Board of Directors Meeting of Inno Hub Company Limited No. 7/2023 approved the termination of the joint investment study in such platforms because the Group’s current investment policy focuses on the energy business so it’s necessary to use funds carefully. In addition, changes in key executives and employees responsible for the project have also impacted the Group, potentially leading to a lack of continuity in the investment study. The Group is currently in negotiations to cancel the investment and will proceed with recalling the guarantee.

However, management has assessed the counterparty's ability to repay the security deposit, taking into consideration their financial status and operating results. The management has decided to record an allowance for expected credit loss for the entire outstanding insurance amount of Baht 10 million in the fourth quarter of 2023. It is recorded as part of expected credit loss in the statements of comprehensive income in the consolidated financial statements for the year ended December 31, 2023
